8. [] LIAISON Met with Mark Gitenstein, Senate Select Committee on Intelligence staff, to discuss the work of the Ad Hoc Committee on Security Classification. Gitenstein wants to meet with Marvin Gentile, IC staff, on 12 or 13 April. He wants to review the damage assessment of the Boyce-Lee espionage case and asked if there was an inventory of damage assessments on previous leaks or espionage cases.

9. [] ADMINISTRATIVE - DELIVERIES Delivered to Dan Childs, Senate Select Committee on Intelligence staff, answers to follow-up questions from the 22 and 23 March CIA budget briefings before the Subcommittee on Budget Authorization. I also amended the Committee's copy of the transcript of those sessions.

10. [] LIAISON Briefed Bill Miller, Staff Director, Senate Select Committee on Intelligence, on the latest developments on the [] case.

I also delivered to Bill Miller his notes from his 6 April briefing on CIA SIGINT.

Miller agreed to hold the briefing on sensitive intelligence programs from 2:00 p.m. to 5:00 p.m. on 18 April.

I also discussed with Miller a letter asking for detailed information on Agency organization we received from Senator William W. I told Miller we hoped to provide this information to Senator Proxmire through the Senate Appropriations Committee rather than the Joint Economic Committee, and Miller thought this was a sensible approach.

11. [] EMPLOYMENT REQUESTS Jo Anne, in the Little Rock office of Representative Jim Guy Tucker (D., Ark.), called to request an application for employment for a constituent. [] OLC, 25X1 has been advised and will send her the forms.

ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Friday - 8 April 1977

25X1

1. [] LIAISON Bob Boettcher, Staff Director, House International Relations Committee, called in follow-up to Admiral Turner's letter to Chairman Donald Fraser, Subcommittee on International Organizations, House International Relations Committee, to set up a meeting between the Director and the Chairman at a mutually convenient time. He asked if the Director could meet with the Chairman the morning of 11 April. I told him that the Director had a full schedule for that morning and would not be able to meet with Chairman Fraser. Boettcher then suggested that we try to set up such a meeting for 21 or 22 April when the Chairman returns from the recess. Boettcher will get back to us with possible times. Boettcher plans to attend the meeting.

2. [] ADMINISTRATIVE - DELIVERY I delivered to the office of freshman Representative Robert K. Dornan (R., Calif.), a copy of the CIA seal per his request.

25X1

3. [] LIAISON I spoke to James Fellenbaum, Senate Appropriations Committee staff, at his home this evening, to advise him that a letter had been received from Senator William W. Proxmire (D., Wis.), in his capacity as Chairman of the Joint Economic Committee. The letter requested detailed information on resources committed to analysis of Soviet trade and economic trends. I advised that the Joint Economic Committee staff is being contacted to suggest that Senator Proxmire express such concerns through an appropriate oversight committee and that Fellenbaum may expect to hear from the Senator on this matter.
